

# Wisconsin Heights School District Vision, Mission, and Priorities

## Vision

Develop engaged citizens through diverse experiences and rigorous academic expectations

## Mission

- Utilizing best instructional practices to support rigorous academic standards
- Data-driven decision-making process
- Engagement with families and the community
- Fostering positive relationships

## Our Priorities

- Improve literacy achievement for all students
- Improve mathematics achievement for all students
- Improve and expand learning opportunities so that every graduate is college and/or career ready
- Transform instruction, classrooms, and schools to ensure that equitable learning opportunities are accessed by all students, including those from diverse, cultural, linguistic, or ability backgrounds
- Ensure that technology is effectively integrated into classroom instruction
