

2020-2021 School Supply List for MIDDLE SCHOOL

Additional items to donate for all classes: Antibacterial wipes. Please drop off in the main office.

****Effective for the 2019-2020 school year** – Students may utilize traditional bags and backpacks to transport personal items to and from school, but they must be stored in their locker during the school day. Students can use clear plastic or see through mesh bags or backpacks to take books and personal items to classes during the day. Students may also carry a small pencil case to classes. At the end of the day, students will be allowed to load their regular backpacks to take items home. Students are not required to purchase a bag unless they want to use it to carry items from class to class.
