

2021 Wisconsin Heights Summer School

July 6-9, 12-15, 19-22, 26-29

4K Adventures!

Summer 4K for children who will be attending a 4K program in the fall of 2021!

Only one week...but you choose the week!

Send your child to their very own Summer School enrichment program! We will explore all kinds of crafts, music, nature, and many other activities with this special age group. It is preferred that children are toilet trained. Children should bring some type of bag to take projects home. If your child is in a special education program, please contact your child's teacher for more details. Classes run from 8:00 - 12:00 for one week (4-days a week) at Black Earth Elementary School. The course is free for all students!

Registration will begin April 9th.

There are four different weeks available BUT you may only register for one week. Transportation is available for in-district students. Sign up early for your ideal week using the form on the next page!

All questions should be directed to Scott Moore

smoore@wisheights.k12.wi.us or 608-767-2251 ext. 4104

General Information

Name: _____ Male Female
