

WHEN SHOULD MY CHILD STAY HOME?

If they have:

- Cough
- Shortness of breath
- Difficulty breathing
- New loss of taste
- New loss of smell
- If you are being tested

At least two of the following:

- Fever*
- Body aches
- Sore throat
- Nausea or vomiting*
- Congestion or runny nose
- Diarrhea*
- Chills
- Headache
- Fatigue

Please keep your child home for these symptoms per school policy

WHEN CAN MY CHILD RETURN TO SCHOOL?

This is for sick individuals without a close contact with someone with COVID-19. If you had a close contact please keep your student home and contact their school to figure out next steps.

THE SICK INDIVIDUAL...

SICK PERSON

HOUSEHOLD MEMBERS

Is diagnosed with a different illness

Follow guidance from medical provider

All well individuals may be at school and work

Tests negative for COVID-19

24 hours symptom free without using medication

All well individuals may be at school and work
